

****IMPORTANT NOTICE****

Elimination of Printed Cheques Issued to Members

To adhere to best banking practices, as of January 1, 2023, the NB Medical Society (NBMS) will no longer be issuing printed cheques for payment to members. **As of January 1, 2023, ALL payments from the NBMS will be made via direct deposit.**

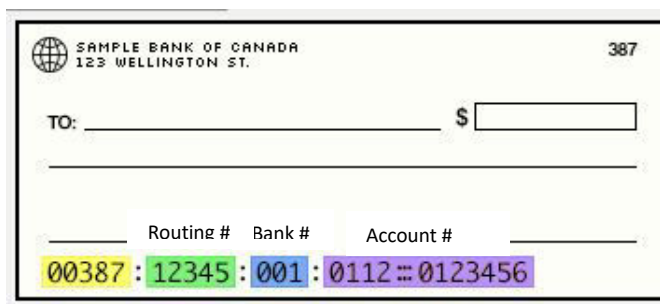

We encourage you to transition now to direct deposit. Payments from the NBMS include but are not limited to Board and Committee Honoraria and travel expense reimbursement, CME and CMPA reimbursement programs as well as Parental Leave Benefits.

To sign up for direct deposit of payments from the NBMS, members have the option of adding their banking information online via "MyAccount", by filling out the form below and send to the NBMS by email (finance@nbms.nb.ca), mail or fax (506-458-9853), along with a voided cheque.

Professional Corporations (PC)

You have the option of having payments issued to you personally or to your PC (Please indicate in the options below). To have payments issued to your PC, you must first advise the NBMS of your PC's name, and business number (9 digit + RC, RT or RP0001). Once your PC has been added to your profile, you then have the option of adding your corporation's banking information, as well as indicating which payments you wish to have deposited to it.
